

Stories to Action Consent Form

By consenting to this form, I indicate that I am 16 years or older, in case that my age is less than 16 years, my parent(s) or legal guardian(s) agree that they have given their informed consent for sharing this information relating to me. I consent to my data above being collected by Stories to Action and stored on Typeform and Stories to Action's server, and that if I give my consent above, the data I share here will be processed by Stories to Action and its employees and volunteers for the purpose of drawing inferences relating access to sexual and reproductive health services, exercise of sexual and reproductive rights and related issues by me. These inferences and findings may be shared, in the form of anonymised reports, with international organisations, multilateral bodies, not for profits and national governments for the purposes of advocating necessary changes to policy and safeguard measures for effective exercise of SRHR by individuals.

I understand that Stories to Action will not commercially exploit this data or share it with third parties for commercial purposes.

I understand that I have certain rights to access, and in some cases to rectify, restrict or delete, my information and such requests should be directed by email to info@storiestoaction.com.

I also understand that my data will be processed and stored by Stories to Action for the period required by law, not less than 1 year and not exceeding 7 years.

Since Stories to Action uses TypeForm and Strato third party services to offer the optimum user experience, I hereby acknowledge that Stories to Action, its employees and volunteers cannot be responsible or liable for any accidental or intentional data security or privacy breach by the third-party service providers.
