

STORIES TO ACTION

Stories to Action is a global website providing a safe and supportive platform to amplify youth's voices and catalyze action ensuring that their sexual & reproductive health & rights are guaranteed even in the light of public health emergencies like COVID-19. We also share authentic and accessible SRHR resources to ensure that every young person has equal access to information on SRHR and COVID-19.

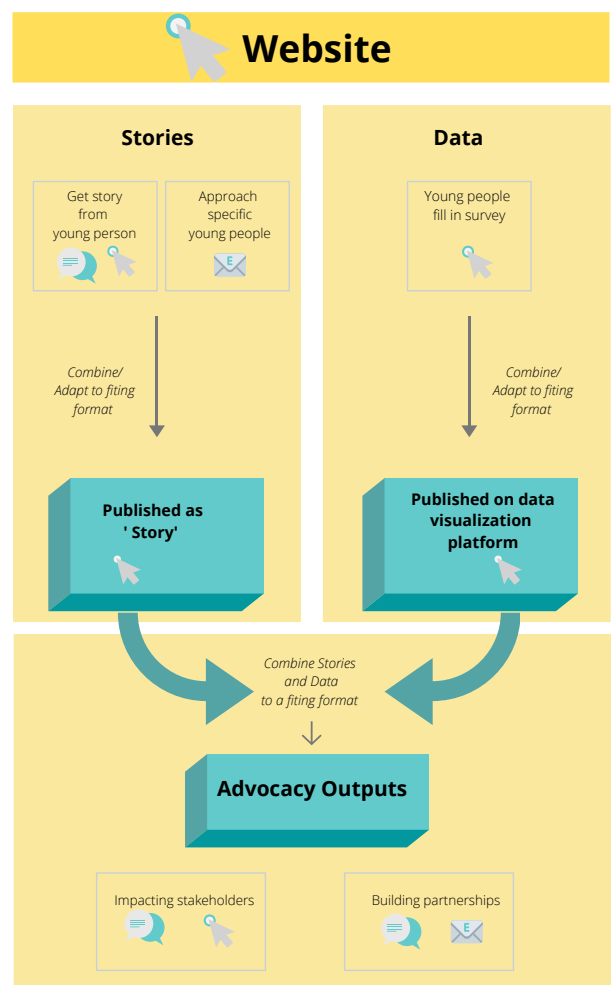

Our Mission

- Amplifying youth voices on SRHR during COVID-19;
- Collecting data on youth's needs, challenges and circumstances relating to SRHR to inform better decision-making;
- Advocating for social change and progress on SRHR to meet the needs of youth during COVID-19 and future similar crises;
 - Influencing decision-makers on youth-related policies and interventions to ensure that youth voices are a central part of the decision-making process
 - Building sustainable and impactful partnerships with diverse stakeholders and inspire collective action on realizing young people's universal access to SRHR
- Sharing authentic and accessible external resources on SRHR in the COVID-19 context.

Our Vision

We envision a world where every young person's voice on their sexual and reproductive health and rights is heard and in which they have equal access to SRHR services, information and resources, even in times of public health emergencies like COVID-19, and in which they and their stories shape global action on SRHR.

Stories To Action's Approach Simplified
